Full Year Obligation

I understand that I have committed to paying tuition for the entire school year. If a student drops or withdraws from classes before September 1, only half tuition will be due; after September 1, full tuition will be due except a prorated rebate, not to exceed 1/2 of tuition, will be granted in the following circumstances:

1. The student moves outside the Melbourne area (50 miles from the school) with 60 days written notice.
2. The student experiences extended physical illness and is unable to attend school.

By signing and returning this form you agree to the following:

- I have read and agree to the above and agree to pay tuition on time according to the schedule I selected.
- Returning this form is acceptance of the terms of the tuition agreement.
- SFA classrooms and events may be recorded or photographed for use on our website, catalog, and instructional or promotional videos.
- Should a student be denied re-enrollment at the end of the current school year, for academic or behavioral reasons, the deposit for that student will be returned to the family.
- I understand that SFA may, without exclusion of other actions, withhold school records and transcripts or suspend the student if tuition obligations are not met by the parents or guardians.

Signature of both parents/guardians financially responsible for the child required.
